Hi Stan,

I am putting together a short info packet for Doug and Betsy (to read on the plane maybe!) but I can also put together a more specific agenda as well. Unless Mike is already doing this! If not, I'll try to work on this morning. I'll include O&M topics, OU3 topics, and partial deletion status.

Thanks,
Dania

Morning,

Bill just stopped by.

There's apparently going to be a briefing sometime next week for Doug to get him up to speed for his trip to Libby.

I'm not sure but I thought you guys were beginning to work on it but please put together an agenda with pertinent topics.

Bill said that a previous briefing (didn't mention a specific site) was a bit informal and rambling so he (Bill) asked that specific topics be addressed.

Not sure which day it is yet. I'll be on travel next Wednesday.

Stan
